Proposed Driveway Location

(Attach plan if necessary)

I, the undersigned, apply for permission to have the premises on _____ Street connected with the Town of Truro utility on _____ Street. I, the undersigned, apply for permission to work within the Town R-O-W at _____ Street as per Local Improvement By-law.

I hereby desire a permit to be issued to _____, a regular authorized contractor, to connect to Town utility, and/or to work within Town R-O-W.

I hereby covenant and agree that the work on said service shall be executed in strict conformity with all By-laws, rules and regulations that regulate said construction and use of said public utility by private contractors and individuals in the Town of Truro, and all the plans and standard specifications approved by the Town Council and now in force in said Town. And I the undersigned further agree that I will be responsible for all claims against the Town of Truro for damages occasioned in any manner by the construction of said service.

I hereby agree that it is **my responsibility to have my contractor contact the appropriate foreman** for further direction on when the said service is to be installed after the issuing of this permit.

I also hereby agree that my contractor and myself have obligations under the Nova Scotia Safety Act and recognize the Town of Truro Safety statement which reads :

"Effective January 1, 1999, all construction firms tendering for construction projects (or performing construction projects that require sewer or water connection (Engineering) Permits) within the Town of Truro must submit a copy of a valid "Letter of Good Standing indicating active participation towards achieving, or having achieved, a Certificate of recognition issued jointly by the N.S. Construction Safety Association and the N. S. Dept. of Labor or other equivalent certification."
